The Next Grant Cycle Deadline Will Be Announced June 2022.
FSC can only award grants to organizations that are registered as a non-profit organization within their respective state (Georgia, North Carolina and South Carolina). Organizations must also have 501(c)(3) tax status, or a Fiscal Agent; a limited number of 501(c)(4) organizations with a Fiscal Agent may be accepted.
Some things to consider before applying:
- Is your organization working for long term social change?
- Is your total organizational budget $150,000 or less?
- Is your organization located and doing work in Georgia, North Carolina and South Carolina?
- We do not fund direct services, social services or special events.
If you fit these basic guidelines, your organization may be a good fit for the Fund for Southern Communities.

For specific guidelines and details on how to apply Download our Application Here!
If you have any questions regarding eligibility, preparation of the application, or the funding process, please call 404-371-8404 or write the Fund at grants@fundforsouth.org.

CDC recommends everyone ages 5 years and older get a COVID-19 Vaccine to help protect against COVID-19.

**Booster Dose of COVID Vaccine**

COVID-19 boosters are currently available through the Georgia Department of Public Health (DPH) health and participating providers.

CDC recommends a booster dose of COVID-19 vaccine for all persons aged 18 or older, at least 5 months after completion of a mRNA vaccine (Pfizer-BioNTech or Moderna) primary series, or at least 2 months after receipt of the single primary dose Janssen vaccine. Eligible individuals may choose which vaccine they receive as a booster dose. Some people may have a preference for the vaccine type that they originally received and others, may prefer to get a different booster. CDC’s recommendations now allow for this type of mix and match dosing for booster shots.

Adolescents aged 12-17 years may receive a single booster dose of Pfizer-BioNTech COVID-19 at least 5 months after completion of the primary series. At this time, only the Pfizer-BioNTech COVID-19 vaccine is authorized and recommended for adolescents aged 12 through 17.

Not all types of vaccines will be available at all sites. For information about COVID vaccines or to schedule a vaccination appointment visit dph.ga.gov/covid-vaccine or vaccinefinder.org.

DPH continues to stress the importance of vaccination for all Georgians aged 5 years and older. Vaccination is our best tool to protect lives and stop the spread of COVID-19 in our state.
